UPDATE ON THE APPLICATION FOR EXTENSION OF TIME TO MEET THE REQUIREMENTS FOR REMOVAL FROM THE WATCH-LIST

*Unless otherwise defined, capitalised terms used herein shall bear the same meaning ascribed to them in the announcement dated 6 November 2023 in relation to the application for extension of time to meet the requirements for removal from the watch-list (the “**Announcement**”).*

The Board refers to the Announcement related to the Company’s application to the SGX-ST in relation to the extension of time to meet the requirements for removal from the watch-list (the “**Application**”). The Board is pleased to announce that the SGX-ST has on 29 November 2023 confirmed that it has no objection to the Company’s application for an extension of time of 12 months to 4 December 2024 (the “**Waiver**”) with regard to compliance with Rule 1315 of the Listing Manual, subject to the following:

- (a) the Company announcing the Waiver granted, the reasons for seeking the Waiver, the conditions as required under Rule 107 of the Listing Manual and if the Waiver conditions have been satisfied. If the Waiver conditions have not been met on the date of the announcement, the Company must make an update announcement when the conditions have all been met.

As disclosed in the Announcement, based on the audited consolidated financial statements of the Company for FY2022, the Company had recorded a consolidated pre-tax profit for FY2022 and has therefore fulfilled one of the requirements under the Exit Criteria. However, as at the date of the Announcement, the Company had not had an average daily market capitalisation of S\$40 million or more over the last 6 months. Therefore, the Application was made and the Waiver was sought by the Company for an extension of time so as to meet the Exit Criteria for removal from the Watch-List.

Following the disclosures in this announcement, the Company will have complied with the conditions of the Waiver above.

The Waiver will not be effective if any of the above conditions have not been fulfilled. In addition, the Company is also required to make an immediate disclosure via SGXNet if it is or will be in contravention of any laws and regulations governing the Company and the constitution of the Company arising from the Waiver, and in this respect the Company confirms that it is not in any such contravention.
