ATTENDANCE LIST ATTACHED.

1. CHAIRMAN

- 1.1. Mr. Ng Soon Kai (the “**Chairman**”) took the Chair and declared the Annual General Meeting (the “**Meeting**”) open.

2. QUORUM, NOTICE AND INTRODUCTION

- 2.1. The Company had verified that a quorum was present for the Meeting.
- 2.2. On behalf of the Board of Directors, the Chairman extended a warm welcome to the persons attending the Meeting and introduced the Board of Directors, Chief Financial Officer, Chief Technical Officer and Company Secretary of the Company.
- 2.3. The Chairman informed the Shareholders that the notice of this Annual General Meeting dated 15 May 2025 was mailed to Shareholders and released on SGXNet and the Company’s corporate website together with the Annual Report 2024 on the same day. The notice was taken as read.
- 2.4. The Chairman informed Shareholders that a recording of the Meeting would be made to assist in the preparation of the minutes. The Chairman further informed the Meeting that in his capacity as the Chairman of the Meeting, he had been appointed as a proxy by a number of Shareholders. The Chairman then informed the Meeting that voting would be conducted by poll in accordance with the Company’s Constitution and polling would be conducted electronically using a wireless handheld device.
- 2.5. Complete Corporate Services Pte Ltd was the appointed polling agent (the “**Polling Agent**”) for the Meeting and Moore Stephens LLP was the appointed scrutineer (the “**Scrutineer**”) for the Meeting. The Chairman informed the Meeting that the counting of the votes of all valid proxy forms submitted by the submission deadline had been supervised and verified by the Scrutineer, and the Scrutineer would also verify the votes cast by Shareholders live during the Meeting. The Polling Agent was then invited to explain the polling procedures.
- 2.6. The proceedings were then handed over to the Chief Financial Officer, Mr. Lim Poh Chen (“**Mr. Lim**”). Mr. Lim informed the Meeting that while the Company had not received questions from Shareholders before the deadline for submission of questions relating to the resolutions proposed at the Meeting, the Company received several questions from a Shareholder after the deadline. Mr. Lim proceeded to address the questions as follows:

2.6.1. Question 1

Mr. Lim noted there was a query in relation to the Company being placed on the watch-list of the SGX-ST since 2017 and how confident the Company is in exiting the watchlist.

Mr. Lim noted that as reported in the news recently, the SGX is currently in consultation with various parties and seeking feedback on its proposal to remove the financial watchlist. Mr. Lim noted that it is not known if and when the SGX will actually remove the watchlist but nevertheless, if the watchlist continues to be implemented, the Company will prefer to exit the watchlist sooner than later. Mr. Lim explained that the Group has been profitable from the financial year ended 31 December 2021 to the financial year ended 31 December 2024 and met the profit test under the watch-list criteria. However, its share price is not enough to provide a market cap of S\$40 million, which is another criterion for the Company to exit the watch-list. As such, the Company

is looking into various potential businesses to improve on its earnings and hence to boost its share price. However, this will take some time and the Company will update Shareholders through announcements as and when such events arise.

2.6.2. **Question 2**

Mr. Lim noted that the next question was with reference to the excerpt in the Company's annual report that the operating conditions in Myanmar are becoming unfavourable and could possibly affect the decision to renew the petroleum contract. The Shareholder asked if that is going to be the case, what would happen to the Company going forward, and if the Company was going to operate like a shell company until some of the renewable project becomes viable?

Mr. Lim explained that the Company has been exploring opportunities in renewable energy investments as well as businesses that will generate profits and cashflows for the Group. As and when such opportunities arise, the Company will make the necessary announcements to update Shareholders. Mr. Lim expressed his hope that Shareholders would be patient to see the Company through this journey.

2.6.3. **Question 3**

Mr. Lim noted that the next question was in relation to the Company's motivation for continuing with its exploration activities in the Indonesia Kuala Pambuang block ("**KP Block**"), given that the Risk Factor (RF) quoted has consistently be lower than 20% dating back from 2018.

Mr. Lim explained that the Company has gone through a long journey on this project of exploring the KP Block and will hope to extract value out of this project. The Company will make an assessment on whether to continue on this project in the near future and will update Shareholders as and when required on any decision made.

2.6.4. **Question 4**

Mr. Lim noted that the final question was in relation to the joint venture with VibroPower Corporation Limited ("**VibroPower**") and whether there are any updates on this. The Shareholder noted that VibroPower has had "very poor financial results" and also noted that "as of 25 April 2025, VibroPower has released yet another net loss for FY2025".

Mr. Lim informed the Meeting that the Company is not able to comment on the outlook for VibroPower. Mr. Lim explained that VibroPower has informed the Company that they have not yet obtained all the approvals needed to commence construction of the 2-MW solar farm, but that in any event, they have not defaulted on their monthly interest payments on the convertible bond issued by the Company to them on 1 November 2023. Furthermore, the Company has a personal guarantee from the Chief Executive Officer of VibroPower and will be able to recover its investment cost in the joint venture with them if they have not completed the construction of solar farm by the time the joint venture agreement expires in 2026.

2.7. Mr. Lim handed the proceedings back to the Chairman. The Chairman then proceeded to introduce the ordinary business to be transacted at the Meeting.

In the context of explaining the background of the trading suspension, with reference to the report published by Justice for Myanmar and the SGX's queries on the Company's Myanmar operations (the "**SGX Queries**") around late January and early February this year, the Chairman noted that the Company was required to obtain legal advice as to whether it was in breach of any European Union ("**EU**") or United States of America ("**US**") sanctions laws.
